

REGENTS' SCHOLARSHIP REQUIRED CORE COURSES

(For additional information, visit www.utahsbr.edu)

In order to meet the academic requirements for the Regents' Scholarship, all courses must appear on a high school or college transcript. Courses taken in grades 7 and 8 do not satisfy scholarship requirements. A student must complete either of the following two options:

1) Complete the following 22-credit core course of study which integrates the Utah High School core graduation requirements with Utah Scholars core course of study:

- 4 years (credits) of English (grade 9, grade 10, grade 11, grade 12)
- 4 years (credits) of mathematics (grade 9, grade 10, grade 11, grade 12), in any course sequence that ends up with a grade 12 rigorous math course beyond Intermediate Algebra. Such course sequences may include, but are not limited to:
 - Elementary Algebra (9), Geometry (10), Intermediate Algebra (11), Pre-Calculus (12)
 - Geometry (9), Intermediate Algebra (10), Pre-Calculus (11), Calculus (12)
 - Intermediate Algebra (9), Pre-Calculus (10), Calculus (11), Concurrent Enrollment Math (e.g., Math 1010, Math 1050, Math 1060, etc.)

NOTE: A student who is not in Elementary Algebra (Algebra 1) by the 9th grade cannot qualify for the Regents' Scholarship.

- 3.5 years (credits) of social studies (Geography for Life, World Civilizations, U.S. History, U.S. Government & Civics, and one additional credit taken from U.S. or World History, Psychology, Sociology, Economics, etc.).
- 3 years (credits) of natural science with laboratory (Biology, Chemistry, and Physics)

NOTE: Students must take one class each of Biology, Chemistry, and Physics. Neither Earth Systems Science nor Physics with Technology, or any other science course, presently satisfies the science requirement.

- 2 years (credits) of the same foreign language other than English (including American Sign Language)
- 1.5 credits of Arts (Visual Arts, Music, Dance, Theatre)
- 2.0 credits of Physical & Health Education (Health, Participation Skills, Fitness for Life, and Individualized Lifetime Activities)
- 1.0 credit of Career & Technical Education (Agriculture, Business, Family & Consumer Sciences, Health Sciences & Technology, Information Technology, Marketing, Technology & Engineering Education, Trade & Technical Education).
- 0.5 credit of Computer Technology
- 0.5 credit of General Financial Literacy

2) Complete all requirements for an International Baccalaureate (I.B.) Diploma.
